## DETAILS

The program will offer a space for co-creation

Participants are expected to be able to develop various facilitation programs with foundations of:

### 1. RATIONALITY

Understanding natural order of life from various angles with inquiring engagements. Conceptualizing different conversational engagements to facilitate rationality in life.

---

**CLICK TO APPLY**

**<http://bit.ly/APPLY-TO-RFP2021>**

## 2. OBSERVATIONAL SCIENCE

Researching the researches of observational science (including medical science).

Enhancing the understanding without intervening into the natural order.

## 3. EDUCATIONAL TECHNOLOGY

A lot of energy can be conserved while using Educational Technology in facilitation provided there is no obsession while using technology.

We shall explore together a few technological facilities to improve our facilitation.

The program structure will be a comprehensive yet a relaxed engagement for the participants.

---

**CLICK TO APPLY**

<http://bit.ly/APPLY-TO-RFP2021>

## SCHEDULES

There will be regular LIVE one-one and group sessions in this program along with co-working on different facilitation programs.

The schedules will be mutually decided.

The expected average LIVE engagement would be 2-3 hrs/week

## FEES

### **IVY model of compensation**

Participants are expected to pay a self decided FEE, every month depending upon their understanding.

The decided fee may not necessarily be the same, every month.
